Dear Dick:

STATINTL

I have received a letter on plain stationery from [redacted] who tells me that he is doing "some historical writing for CIA as an in-house recording of some important past happenings". He is interested in obtaining information regarding my meeting with Chaban-Delmas prior to the Suez crisis in 1956.

If he is working for the agency, I will be glad to give him any help I can. I will appreciate your letting me know whether you know him and he is doing something in which you are interested.

Sincerely,

Douglas Dillon
